

**Situational Adaptability -
*Adapting the Approach to Address the
Shifting and Ever Changing Workplace Demands*
Virtual Workshop**

The importance of Situational Awareness is vital. Individuals who are unable to adapt to change, be mindful, understand their audience and believe that one style fits all will fall short in today's dynamic business environment.

This program will:

- Give a general awareness to all attendees of their dominant communication style, understanding the situation they are in and determining whether or not that style is appropriate and then adjusting accordingly
- Understanding and adapting to different cultures, race groups, generations and nationalities
- Learn to read corporate culture and adapt accordingly
- Embrace change, stay abreast of the changing environment and adapt accordingly.

The program will cover the following areas:

- The importance of accepting and adapting to change
- Techniques to overcome the fear of change
- Skills to embrace change and grow
- Understanding the benefits of changing and the ramifications of not changing
- Understanding your dominant communication style
- Understanding the other styles
- Learning that one style does not fit all
- Understanding when to adapt your style according to the situation
- Resolving and embracing conflict
