

**Situational Adaptability -  
*Adapting the Approach to Address the  
Shifting and Ever Changing Workplace Demands*  
Virtual Workshop**

The importance of Situational Awareness is vital. Individuals who are unable to adapt to change, be mindful, understand their audience and believe that one style fits all will fall short in today's dynamic business environment.

**This one day program will:**

- Give a general awareness to all attendees of their dominant communication style, understanding the situation they are in and determining whether or not that style is appropriate and then adjusting accordingly
- Understanding and adapting to different cultures, race groups, generations and nationalities
- Learn to read corporate culture and adapt accordingly
- Embrace change, stay abreast of the changing environment and adapt accordingly.

**The program will cover the following areas:**

- The importance of accepting and adapting to change
- Techniques to overcome the fear of change
- Skills to embrace change and grow
- Understanding the benefits of changing and the ramifications of not changing
- Understanding your dominant communication style
- Understanding the other styles
- Learning that one style does not fit all
- Understanding when to adapt your style according to the situation
- Resolving and embracing conflict

## Registration Information

**Time:** This is a 3.5-hour workshop scheduled from 9am -12:30pm CST.

**Pricing:** The per person fee for 1-2 participants is \$195.00; for 3 or more the fee is \$165.00 per person.

### Other Information:

- The session will be delivered on the Zoom platform so all participants will work from their own workspace and use their own computer. Zoom has video capability but, if the participant's computer is not equipped with a camera, audio will also work.
- To register we will need the name of each participant and their email address.
- Five (5) days before the date of the session we will send each participant an electronic copy of the course materials, which should then be printed for use during the session. Additionally, we will provide a link of a Meeting ID that when clicked on will allow the participant to enter the training room. For those signing up less than 5 days prior, it will be no problem as we will immediately provide this information.
- Participants should enter the Zoom training room at least 15 minutes (8:45 AM) before the start time.
- The session will be limited to 20 participants to allow for, and ensure, maximum interaction, participation and engagement.
