

How to Deliver Impactful Virtual Presentations Virtual Workshop

The How to Deliver Impactful Virtual Presentations Virtual Instructor Led Training Session aims to equip participants with the skills required to present online in order to make the desired personal and organizational impact on a live virtual medium. The digital age requires some level of adaptation of presentation skills for new and experienced presenters.

Have you ever delivered an online presentation and ...

- Felt your heart pounding and palms sweating?
- Forgotten your content or the ability to find the right word?
- Gazed at the camera and felt disconnected from your audience?
- Froze when asked a question?
- Not sure of the impact you have made?

In today's competitive business arena, effective communication skills are a must! Professionals must be able to concisely and clearly express their thoughts to a variety of audiences in a variety of different ways.

There are many critical challenges facing the business presenter today; not least of which is keeping an audience engaged in the online environment.
